DESCRIPTORS *Bibliographies; *Content Reading; *Reading Development; *Reading Instruction; *Reading Programs; *Reading Skills; Secondary Education

ABSTRACT

This bibliography of articles, books, and ERIC documents related to reading in the secondary school is divided into eleven sections: general, art, business education, English, industrial arts and vocational education, foreign languages, health and physical education, mathematics, music, science, and social studies. (AA)

****
* Documents acquired by ERIC include many informal unpublished *
* materials not available from other sources. ERIC makes every effort *
* to obtain the best copy available. Nevertheless, items of marginal *
* reproducibility are often encountered and this affects the quality *
* of the microfiche and hardcopy reproductions ERIC makes available *
* via the ERIC Document Reproduction Service (EDRS). EDRS is not *
* responsible for the quality of the original document. Reproductions *
* supplied by EDRS are the best that can be made from the original. *
